HEW FEDERAL  
CREDIT UNION

# LENDING

At HEW Federal Credit Union, we take our mission of **"exceeding our members' expectations in our commitment to their financial success"** very seriously. This includes the way we provide loan products. Our conservative lending philosophy has led us to oppose predatory payday loans, sub-prime mortgages and many other practices that can adversely affect borrowers. This has allowed us to strive and continue to provide loan products during a time when some financial institutions are not able to. We want you to know that we are still lending and there is an option with your name on it.
